### Remember:

- Socks and sneakers are **REQUIRED** on all field trips because our buccaneers will be walking the plank, running on the deck, and hiking on deserted isles to find the treasure. Also **PLEASE** no flip flops! Sandals are allowed on Folsom Aquatic Center field trip days.
- Sack lunches with no heat-ups are **REQUIRED** on **ALL** field trips. Most field trips tend to be a long day for our buccaneers and they are more hungry and thirsty. Make sure you provide enough items for these days. **WATER** is also very important! A school lunch menu will be available whenever we are on-campus.
